

IRS Disclosure Offices

FOIA requestors may have questions or want to know the status of their request. Initial inquiries should be directed to the FOIA Requestor Service Center where the request was submitted. Following response from the Center staff, FOIA requestors who require more information or assistance may contact the IRS Disclosure Manager, who serves as the FOIA Public Liaison for that Center. The Public Liaison can assist with reducing delays, explaining the status of the request, and resolving disputes. The Service Center and Public Liaison may be reached at the contact number provided for each Disclosure Office.
